STUDENT INTENTIONS 2014

It is that time of the year again where we are starting to interview for 2014 student positions. This means we firstly have to establish who of our families are remaining at the school and who of those may be moving to other schools.

My priority is to make sure our current families are supported and that we keep our classes to a minimum. Therefore, it is important as we interview that we don’t take on too many enrolments so our current students continue to be well supported with a quality education.

If you have not already done so, it would be appreciated if you have made other arrangements for 2014 that you indicate on the slip below. It will be assumed that if this slip is not returned that you will be remaining at St Saviour’s Primary School for next year.

Please don’t hesitate to contact me if you have any questions.

Regards,

Donna Muir
Principal
